

Innsbruck Kühtai

Bergkaiser

2018

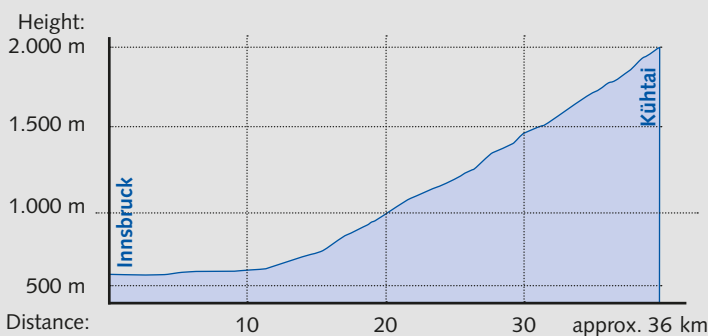

» SUNDAY, 12th August 2018

Route profile

Innsbruck - Kranebitten - Kematen - Sellrain - Gries im Sellrain - St. Sigmund - Haggen - Kühtai

Total length: 36 km - Cumulative elevation gain: approx. 1,400 m

Road traffic regulations: All bicycles that are permissible in accordance with traffic regulations (road bikes, mountain bikes etc.) are allowed. Austrian road traffic regulations apply to all participants, the route is not closed off. Participants must wear a helmet, and ride at their own risk. With their registration, participants confirm that they have third-party liability and accident insurance. Parents are responsible for their children.

Liability: The organisers, promoters and sponsors accept no liability for damages or injuries suffered by the participants. With his/her registration, the participant accepts liability for any risks to themselves and their property which result from participation in the event, and commits to refrain from making any claims against people, institutions or companies who hold or held the events.

All participants must be informed about the course, the road condition, the dangerous areas, etc. and it is necessary to visit the route of the race in advance. All references on our website, announcements, etc. are just additional information for the participants! Along the routes there are repeated road bumps and damages in the asphalt surface. All participants must adjust their speed according to the road conditions. Particularly at the numerous departures caution is required!
